Global Development Insights

Economy, Health, Demographics & Energy across 200+ countries

From raw country data to actionable insights.

Global Overview

Map and ranking of the world's economies.

GO

Economic Analysis

Debt, trade, growth and cost of living.

GO

Public Health & Demographics

Life expectancy, fertility and HIV burden.

GO

Energy & Resources

Oil, electricity and energy self-sufficiency.

GO

Key Findings Story

The story behind the data in 6 steps.

Global Overview

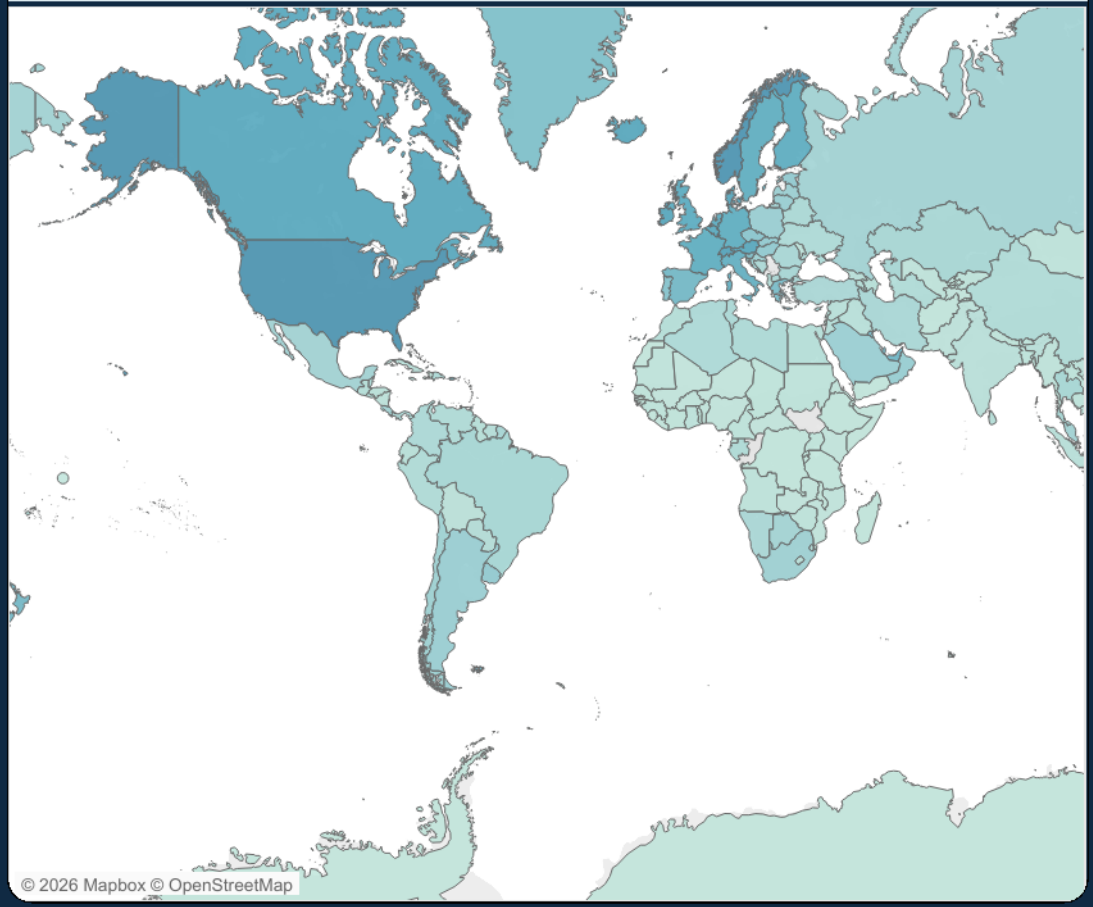

A snapshot of the world's economies, people and development.

Country: All

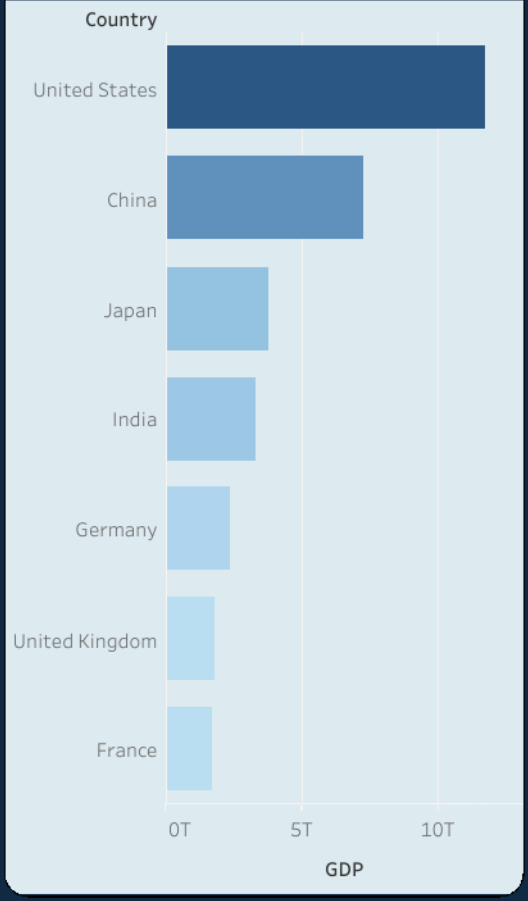

Top N: 7

Numbers Of Countries	Global GDP	Average Life Expectancy	Global Population
261	$55,510B	67.59 Year	6.44B

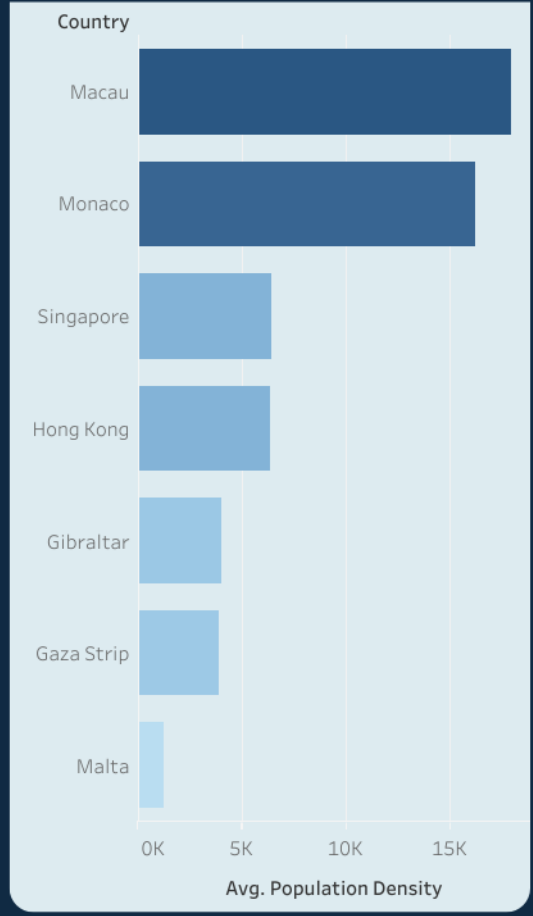

Global GDP per Capita Map

Top Countries by GDP

Top Countries by Population Density

Global Economic Overview

A snapshot of the world's economies, people and development.

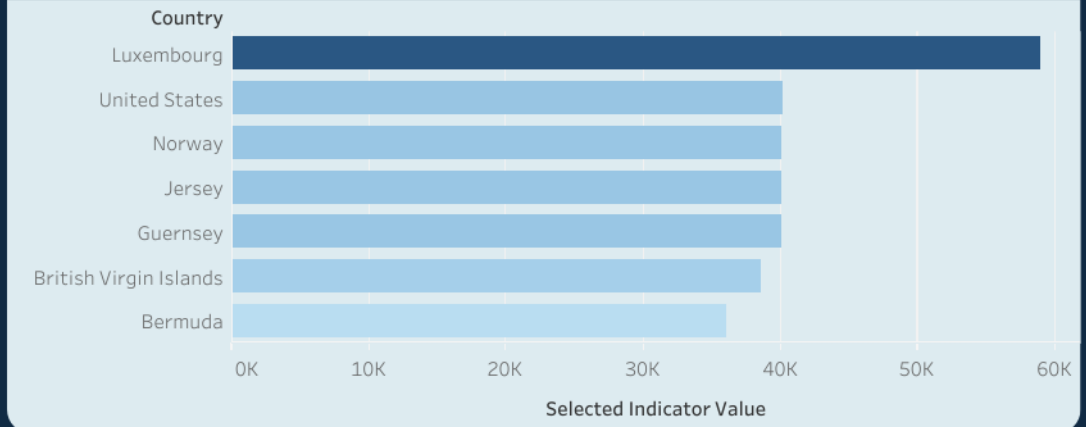

Select Indicator: GDP per Capita

Top N: 7

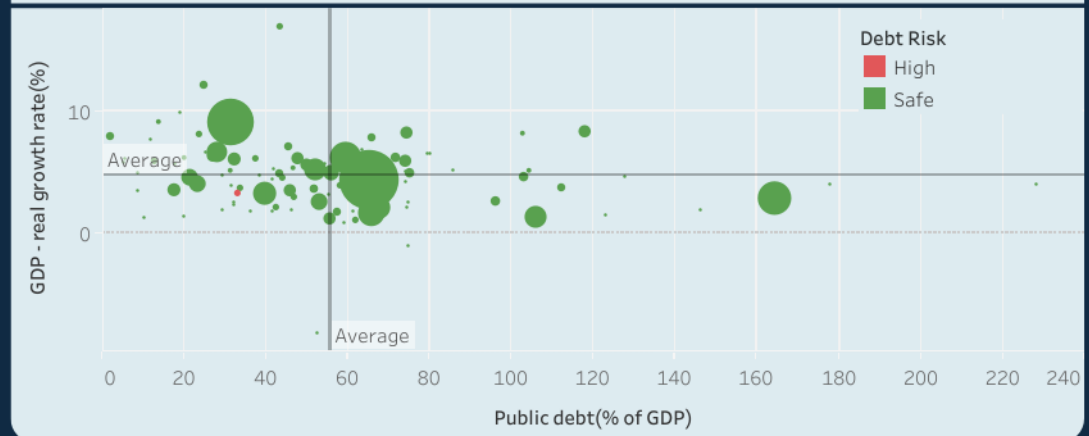

Debt Threshold: 52

Top 5 GDP Share	Safe Debt Risk	Average Misery Index	Trade Surplus Countries
57.6%	260	20.46	69

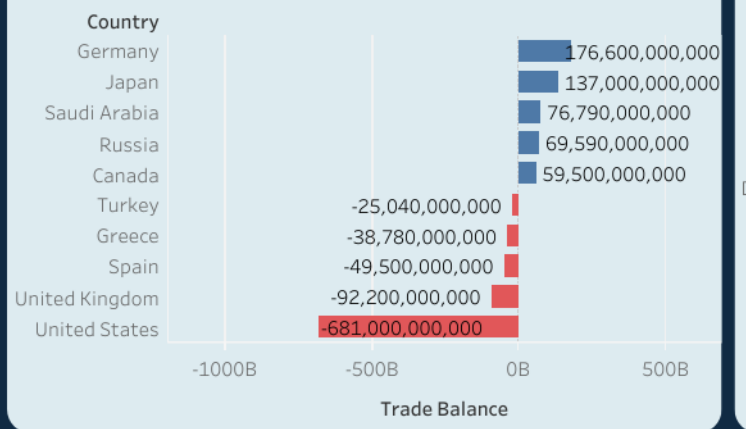

GDP per Capita

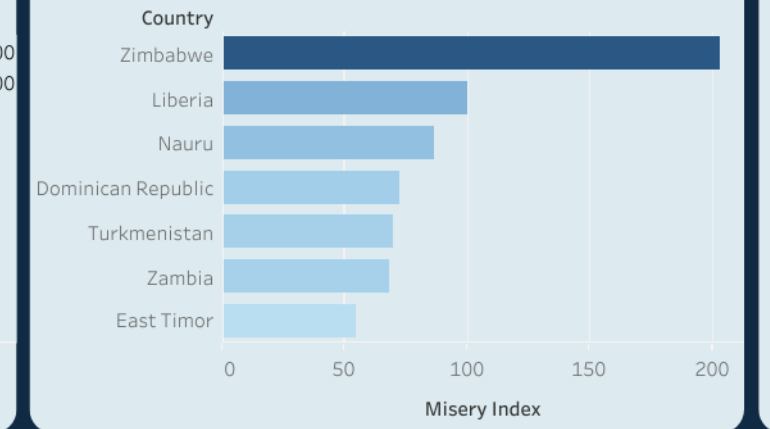

Debt vs Growth

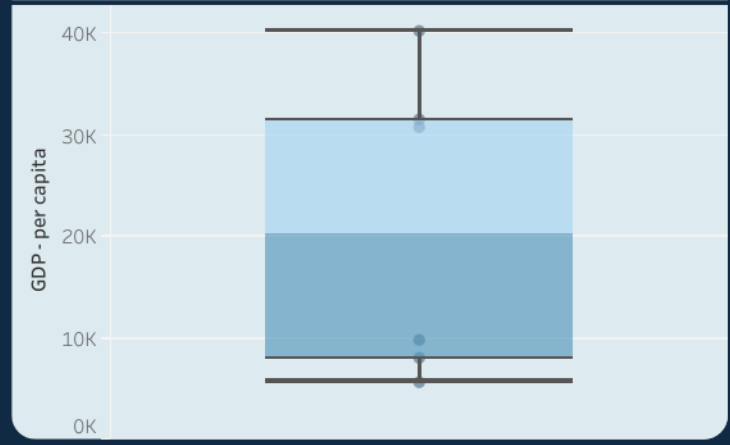

Trade Balance

Misery Index

GDP per Capita Outlier Analysis

Public Health & Demographics

A snapshot of the world's economies, people and development.

Country: All

GDP per Capita Category: All

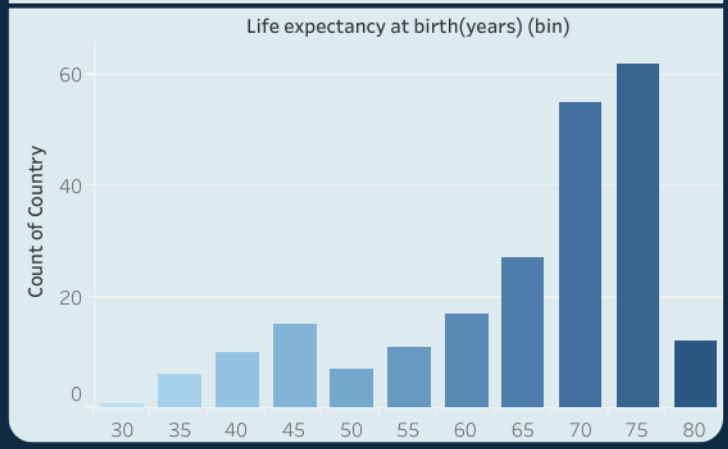

Life Expectancy Group: All

Average Infant Mortality per Country	Countries with Life Expectancy < 60	Highest HIV Burden per 1,000	Average Fertility Rate per Country
35.62	50	213.4	2.95

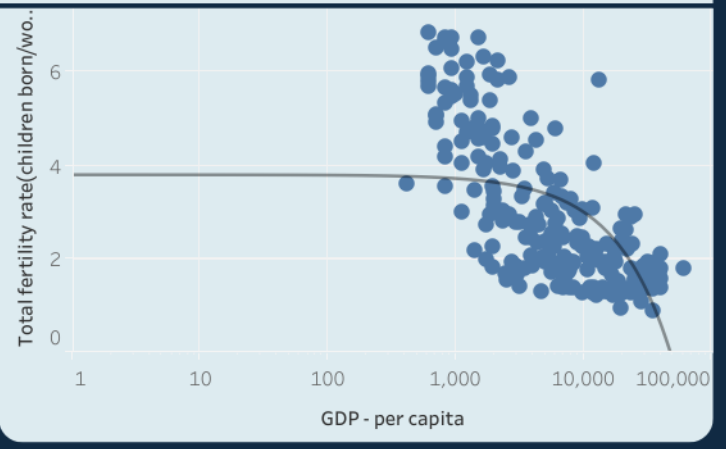

GDP per Capita vs Life Expectancy

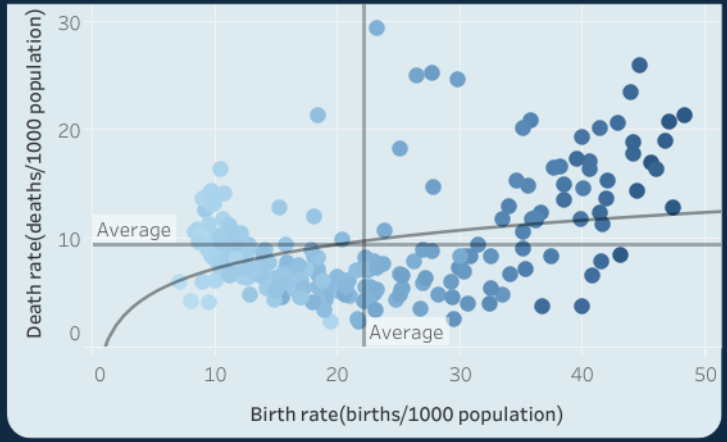

Life Expectancy Distribution

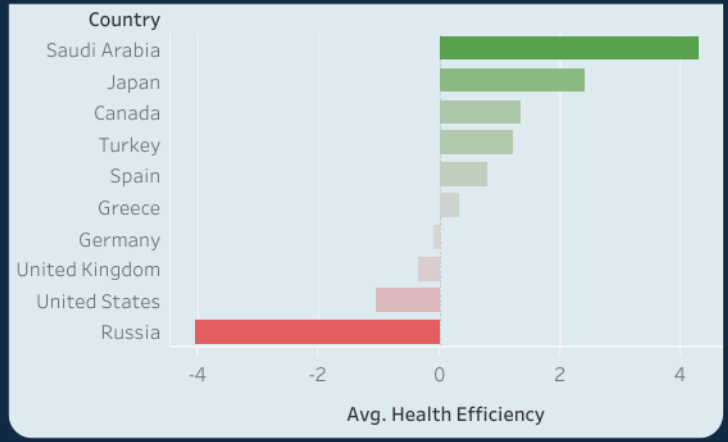

Fertility vs GDP per Capita

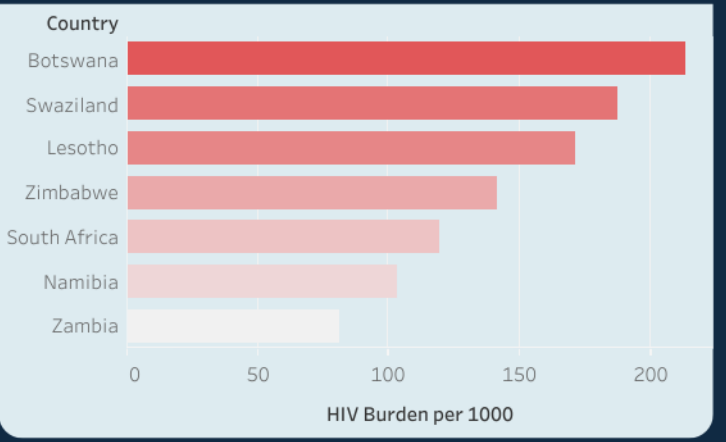

Birth vs Death Rate

Health Efficiency

HIV Burden per 1000

Energy & Resources

A snapshot of the world's economies, people and development.

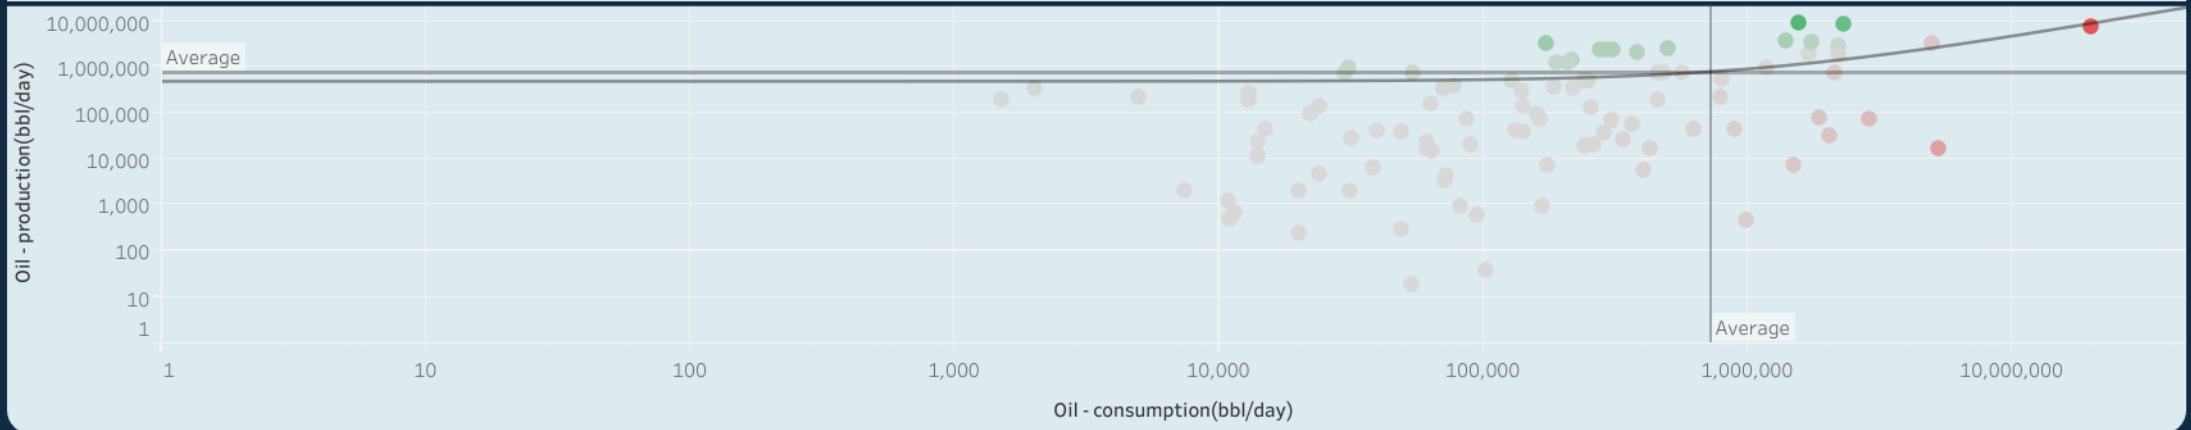

Top N: 7

GDP per Capita Category: All

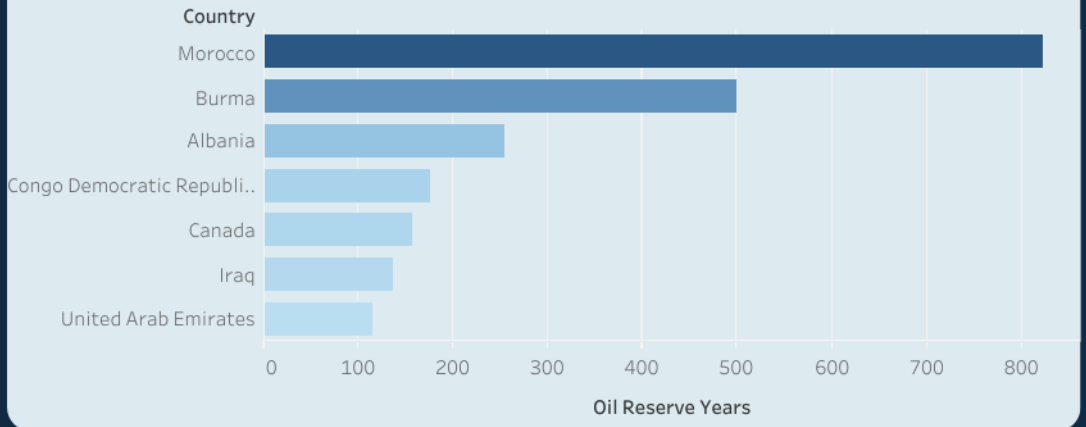

Country: All

Countries with Oil Reserves < 20 Years	Total Proven Oil Reserves (bbl)	Number of Oil-Exporting Countries	Average Electricity Self-Sufficiency per Country
51	1,346B	41	120.4

Oil Producers vs. Consumers: Who Has a Surplus?

Top Countries by Oil Reserve Life

Higher GDP per Capita, Higher Electricity Use?
